

8TH NEWSLETTER OF THE STEAMITUP PROJECT

2nd Hybrid Project Meeting

23-24 September 2021, Athens, Greece

During the 2nd Transnational Project Meeting, partners had the chance to meet each other physically after a long time. They discussed the current state of play of the STEAMitUP project and the progress of the project's activities.

Overall, the meeting participants engaged in interesting and fruitful discussions. Partners agreed upon upcoming tasks and deadlines and initiated the process of organising the next project meeting, along with the Final Conference, planned for December 2021 in Nicosia, Cyprus.
